WINCHESTER, MASS.

Moving Right Along. Energy, Happiness, Sadness, Crying, Sharing, Communicating, Being. Such a combined feeling envelops our school. It runs deep in our souls, but even more so in our hearts. It permeates the hallways and the classrooms, the locker rooms and the cafeteria. It hangs in the air with anticipation and excitement. Its an emotion that carries more than these words can express. It's simply being a Sachem and Moving Right Along!!

A Sachem's day does not end with seventh period Physics class, life at Winchester High is a twenty-four hour experience, which goes far beyond our academic duties. Starting with early morning band practice we energetically face the day. We have mid-morning McDonald's runs and lunch time flights to White Hen. The last of our periods speeds by and before we realize it we find ourselves outside the cafeteria discussing afternoon plans. As the group breaks up, some head towards the gym as others seek the radio room or English area to participate in clubs. Each activity students participate in is part of their lives which keeps them Moving Right Along!

"WHSR-FM, Winchester, is now beginning broadcasting operations for today . . ." Winchester's best (and only) radio station enjoyed a truly outstanding year on 91.9 Mhz. A variety of music — ranging from punk to classical — supplemented our public service coverage of town meetings, football games, and local elections. This year's officers were: Station Manager Bill Littell, Music Director Rodney Green, Public Service Director Dennis McCarthy, and Educational Director John Reidy/Terry Clements. Under the direction of Advisor David Frary, the station can look forward to continued success in the future. "WHSR-FM, Winchester, is now concluding broadcasting operations for today . . ."

## RED and BLACK

The **Red and Black** staff of 1983-84 has completed a very successful year, placing second in a high school journalism competition.

The newspaper divides itself into a series of journalistic categories: features, news, arts & entertainment, sports, editorials, layouts, and photography.

With the assistance of Advisor Marie Franklin, the **Red and Black** staff achieved a wide variety of goals. We were also introduced to the world of television when Demetra Tseckares, Editor, and Rob Nigro, Junior Editor, were invited to guest panel on Channel 7's show, "The Young Editors."

To the departing senior staff, best of luck and appreciation for the immense effort and dedication. To the future staff we leave their pride in a truly outstanding high school newspaper.

'85 Editors.

President:  
Chris Bentley

## Photography

Although this is only the second year the Photography Club has been in existence, it has been functioning very well. The meetings are every Monday night. The members are shown how to use their camera. They also learn how to develop film and make displayable prints. They use the facilities of the high school darkroom. Under the direction of Advisor Carlyjane Dunn Watson and President Chris Bentley, many school and town events are captured on film. Members are major contributors of photos used in the Yearbook.

## HIGH ADVENTURE CLUB

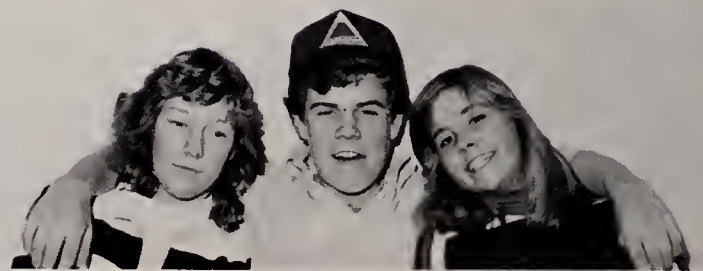

The High Adventure Club has had a lot of fun and excitement this year. They went hiking at Mount Osceola, horseback riding in Hingham, skiing at Cannon Mountain, and camping in Maine. They have some memories of these trips that brought the students closer together and formed strong friendships: Mr. Skinder falling off his horse, running down Osceola, and

getting lost in WVterville. They are led by Advisor Gerry Skinder, President Kelly Shea, Vice President Greg Poulos, Treasurer Gary Ducharme, and Secretary Marisa Wolsky. Members include: Dave Budd, Margaret Hitchcock, Natalie Hill, Kathy Shao, Sinan Kobu, Rick Parker, Chris Bett, Al Falcione, Greg Poulos, Tom Cross, and Katrina Nelson.

## SKI CLUB

The Ski Club, bonded by their common interest in having fun and skiing, went to Sugarloaf on January 6-8. They had excellent conditions both on and off the slopes. Outside they had all the trails and inside they had a relaxing hottub and a warm fireplace. Memories include: Swampscott High, the busride, Eddie Murphy, the headwall, video arcades, and munchies.

The 1983-84 winter cheerleaders had a very successful season. Although there were many inexperienced cheerleaders on the squad, they managed to pull through and make the best of it through a lot of hard work and practice. They cheered the hockey and basketball teams on in two different squads, one captained by Anita DiRocco, the other by Leah Manganaro. With the essential contributions and help from Advisor Kate Sullivan, this squad fulfilled their function in leading the school's spirit.

# OUR TOWN

Winchester High School is not just a building on a field, but an integral part of a much larger community. It plays a major role in the happenings of the town. Both the town and the high school are interdependent on each other. Although we will always remember the high school, when we reminisce about our past we will see a much larger scope including the town and everyone in it.

# "THE JURY ROOM"

## The Musical Youth

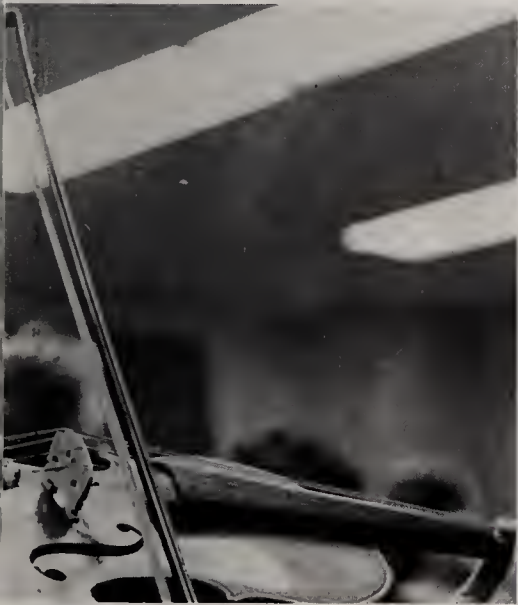

The activities of jazz band, orchestra, and chorus extend beyond the classroom and into the student life through the many performances they have put on through out the year. The winter concert was a smashing success in which each of the three groups performed admirably. In addition, the orchestra ventured into the high class atmosphere of the Hyatt Regency in Boston on December 7, to perform for the hotel guests. The Chorus members

are: Michel Michelle Calareso, Terry Clements, Tracy Connoton, Christine Gray, Honey Guerin, Dawn Macone, Karla Messuri, Heather McLeman, Annah Mulkerin, Jennifer Perkins, Carol Rigsby, Nancy Semonian, Susan Soloman, Phwong Dunog, and Peter Kelley (accompanist), Advisor Mr. Cowgill. The Orchestra Roster is: Ed Barrett, Michael Blasi, Madalena Coppi, Lauren Chabot, Raymond Cheng, Rachel Cooper, Debbie Daugherty,

Maryann Driscoll, Chris Duffy, Kathleen Ferry, Veronika Folz, Carl Hirschfeld, Edward Holloran, John Keane, Peter Kelly, Kristen Kelly, Chester Liu, Wendy Liu, Eileen Mahoney, Anne Milburn, Patrick Murray, Scott Kessel, Elizabeth Obbard, Dorothy Price, Nicholas Rossettos, Richard Rothman, Kim Ryan, Bjorn Poonan, Robert Southworth, Jun Urano, Missy Voltaggio, Andrew Mallio, Ona Wang.

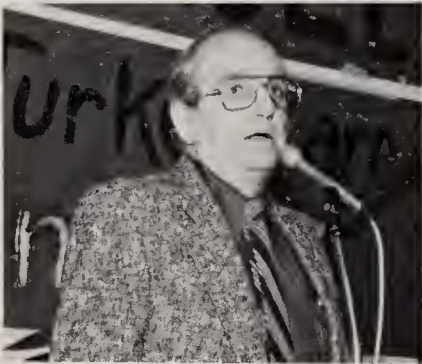

#### ***Jazz Band***

Members Include: Louie Sampson, Scott Kessel, Jane Nadeau, Cindy Card, Bob Driscoll, Peter Kelly, Ed Holloran, Tom Herlihy, Andy Laats, Lisa Britt, Kathy Mortensen, Dan Cummings, Charlotte Reece, Nancy Sampson, Pat Murray, John Rodgers, Mitch Rodriguez, and Eric Krusell

# SENIOR SEMI-FORMAL

On January 7, 1984 the senior class held its semi-formal dance at the Colonial-Hilton in Lynnfield. The elegant surroundings, good music, and large dance floor provided for a festive and exciting atmosphere. It was the

first formal gathering of the senior class this year and helped to bring them closer together. The entire night, the dance floor was packed and all who attended will remember the night fondly.

# CHEERS!!

The 1983 fall cheerleaders were one of a kind. With the help of their coach, Miss Sullivan, they succeeded at breaking through the traditional stereotype of cheerleading and trying original things. As a group they functioned well. Everyone got along with the others, and some new and lasting friendships were

formed. Between cheering for football and boys and girls soccer, many fun times were had. It was a very memorable season for all. Memories include: Celebration . . . Anita's pool . . . TPing . . . decorating bedrooms . . . SC fight . . . FOOD . . . Rhooonda . . . Rumble on bus . . . NF while cheering . . . CELIA!!!

**Top Row (L to R):** J. Parker, A. DiRocco, S. Falzano, P. Phillips (captain), D. Reich, K. Collins (captain), S. Fennell, L. Manganaro. **Bottom Row (L to R):** P. DiRocco, M. Ward, P. Getson, J. Ward, K. Lee, C. Cuccinatti, R. Glick, C. Reinhart.

**L to R, Top Row:** M. Cullen, C. Rowley, L. Galante. **Middle Row:** M. Driscoll (captain), J. Matrundola, C. Skahan (captain), **Bottom Row:** C. Hartunian, D. Ralphs, B. Jones. Missing: S. Perlitsch.

## THEY'RE TUMBLING 4-YA!

This year the Tumblettes skillfully displayed their many talents on the field. They performed in all the half time shows of the football games. They danced, twirled flags, and, most importantly, they tumbled. Many new tumbling moves made them enthralling to watch as they flipped around at the games. They

worked closely with the marching band to put on spectacular shows as well as tumbling on the sidelines. A very close group of friends, they did more together than tumble. They went out to breakfasts and had a lot of good times. They will always remember Little Tumbie, Fiesta 4-Eva, and I'll Tumble 4-Ya!!

If the hands of time  
 Were hands that I could hold  
 I'd keep them warm and in my hands they'd not turn  
 cold.  
 Hand in hand we'd choose the moments that should  
 last;  
 The lovely moments that should have no future and  
 no past . . .  
 All the happy days would never learn to fly  
 Until the hands of time would choose to wave "good-  
 bye".

## good year

The faculty members at Winchester High School have made a supreme contribution to our intellectual and personal growth. As teachers, coaches, and activities advisors, they have creatively tried to inspire us to maximize our potential worth and understanding. Within our academic structure, our faculty organizes social activities including various clubs which bring to us a better awareness of them and their fields of education. Many of these people have gone beyond their professional duties to help students with their problems as they arise in everyday life. They give us the courage and the confidence to keep us moving right along!

On the evening of Tuesday, November 29, 1983, seventy-nine seniors were inducted into our school's chapter of the National Honor Society.

The National Honor Society (NHS) is an organization which recognizes students who excel in school by electing them to membership based on four important personal qualities: scholarship, character, leadership and service. In order to qualify for membership, the students have to meet certain academic requirements.

The purpose of N.H.S. is to serve as a measure to the school and town communities of the members' academic abilities as well as to provide service in many ways. N.H.S. members tutor other students. Activities held during the spring provide service to both our town and school.

Faculty Advisor to N.H.S.: Mrs. Tiffany

President: Dorothy Price

Vice-President: Yann Zombeck

Secretary: Cathy Skahan

Treasurer: Chris Bentley

**Charles Mitsakos** — Superintendent

**Robert Forest**  
Acting Superintendent

## Administration

The school year was a busy one for the administration. Under the leadership of Acting Superintendent, Robert Forest, the high school completed its evaluation. Principal Larocco, in a memo to the faculty, stated, "You may know of my pride in Winchester High School, but at no time have I been prouder of the people who work in the building than I have been in the past two years. Your professionalism, your objectivity and thoughtfulness have carried us over some rough spots and what could have been some trying times.

You have given of yourself beyond what is normally expected and you did it with grace and a sense of humor.

To all of you, my thanks and appreciation for a job well done! Winchester's excellence is in its people — I am glad that I am a small part of that excellence."

### **Robert Forest**

In appreciation for your service to the Winchester Public Schools, thank you from the entire Winchester High School community.

**John Pirani** — AID Director

## Office Staff

keeper

**Mary Jacobs** — Receptionist

# Student Advisory Committee

The SAC, (Student Advisory Committee), provides the link between the Student Union and the School Committee. Their purpose is to voice the opinions of the students to the School Committee. This year the SAC were very successful. The course of Speech/Brit Lit and Media/Brit Lit were deleted as English requirements and replaces as two half-year courses, Speech and Media. The class rank system was also

investigated, along with the School Lunch program. (It was determined that these systems are presently most beneficial to the students. The SAC gives a weekly report of the students activities to the School Committee. The SAC is a state-required and student run organization. The members of this committee feel they have made many changes to better Winchester High School's environment.

Rita Mawn, Suzanne Perlitsh, Dennis McCarthy, Carrie Roll, Bonnie-Jeanne Casey

## Student Union

The Student Union, under the leadership of its dedicated officers Paula Ricciardelli, Karen Serieka, Nicholas Rossettos, and Sheryl Powers, again carried off a very successful year. The Student Union was the organizer behind such activities as the underclassmen photos, the extremely popular Halloween Dance, the pizza party for new students, the Faculty Tea, Carnation Day, a Christmas food drive,

among a long list of many others.

The officers would like to thank Ms. Nancy Atkins for her undivided support and patience, as well as all representatives who gave their time to work on committees. The 1983-84 Student Union is also proud of the success of our new school store. The Student Union is pleased to be of service to the students of Winchester High School.

Nicholas Rossettos, Karen Serieka, Paula Ricciardelli, Sheryl Powers

## Guidance Department

The primary goal of the Guidance Department is to counsel students through the many phases of a high school education. Every counselor is required to meet with and get to know his or her students individually thereby helping each student to have a positive high school experience.

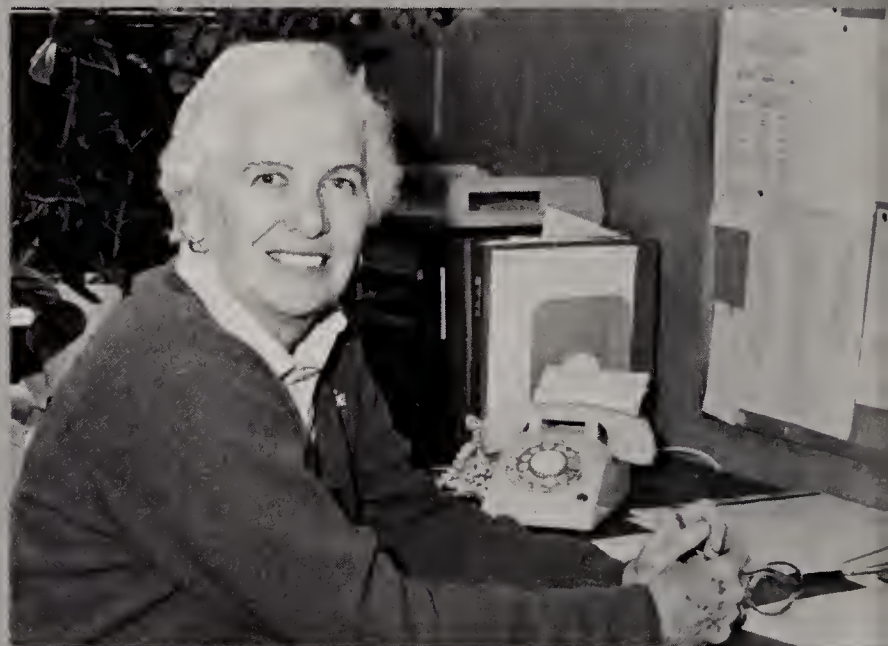

It is through this unique approach of one-to-one student-counselor relationship that the Guidance Department assists each student to attain his or her highest level of educational achievement and personal development. As Mr. DiBiase says, the guidance staff are indeed advocates of the students.

**Alice L. Murray**, Guidance Counselor

**Anthony N. DiBiase**, Department Head

**Phyllis Nannis**, Guidance Counselor

## Resource Department

Our Resource Room has been following a fairly new philosophy this year. Their purpose is to give additional help in specialized areas to those students, who for one reason or another, find it difficult to learn by the regular methods or in the regular environment. It pleases the staff to see the students that they have helped graduate go on to new and better things.

**Irene Michelson**, Department Head

**Rita Cloherty**, Resource Teacher

**Lucille Cesar**, Resource Teacher

**Carolyn H. Tiffany**, Guidance Counselor

**M. Constance Trickett**, Guidance Counselor

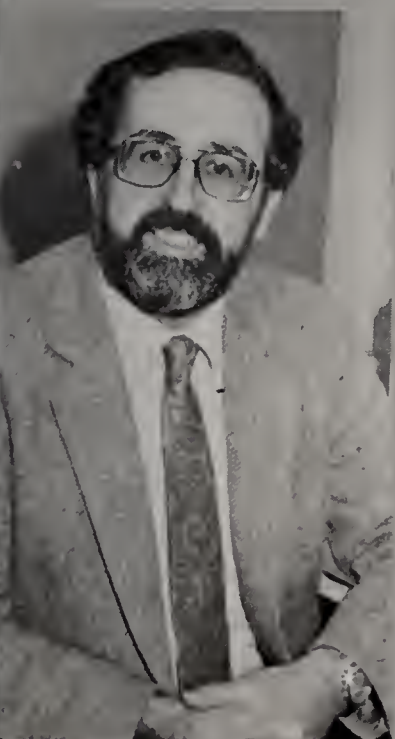

**Joan M. Grenzeback**, Guidance Counselor

**Janet Burchard**, Records Clerk

**Shirley Noble**, Secretary

**Paul Lynch**, Resource Guidance Counselor

**Kim O'Keefe**, Resource Teacher

**Bernard Silva**, Psychologist

**Paula DiOrio**, Resource Counselor — 766

**Lorna Phillips**, Guidance Department Social Worker

## Support

# Science

The Winchester Science Program places emphasis on what is called the inquiry approach, which provides opportunities for students to discover key concepts and relationships through hands-on experiences.

Laboratory work provides personal experiences for students. The programs are designed so that important information has to come from the lab, and students are expected to be able to answer questions on the basis of their observations and experiments. The laboratory experiences require much activity of students in a time when many young people lead in-

creasingly passive lives. Most importantly, students find laboratory work fun and that the lab breaks up the seemingly endless pattern of classroom recitation.

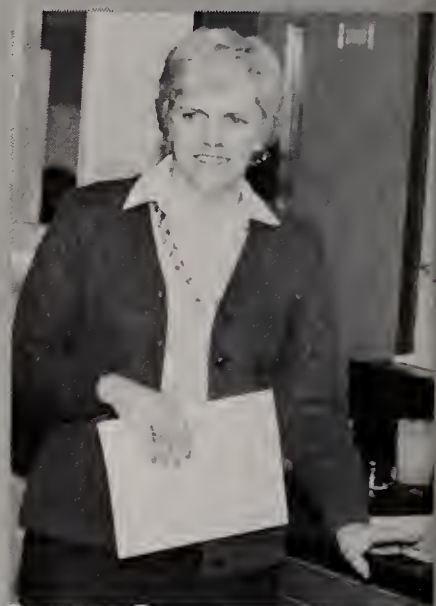

This year the department was very pleased to receive an award from the National Science Teachers Assn. for having one of the top 10 physics programs in the nation's secondary schools, which was presented to them at its national convention April 5-8 in Boston. They were also proud to play host to Captain Rick Hauck, a NASA Challenger astronaut, who visited the high school in October.

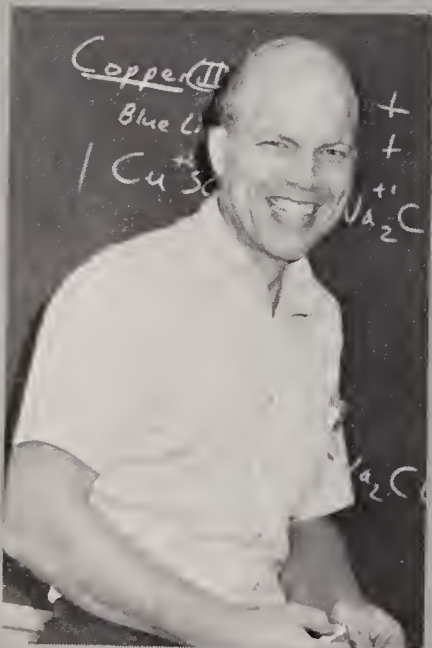

**Milburn J. Dixon:** Biology, Honors Biology

**John A. Limongiello:** Physics, Introductory to Physical Science

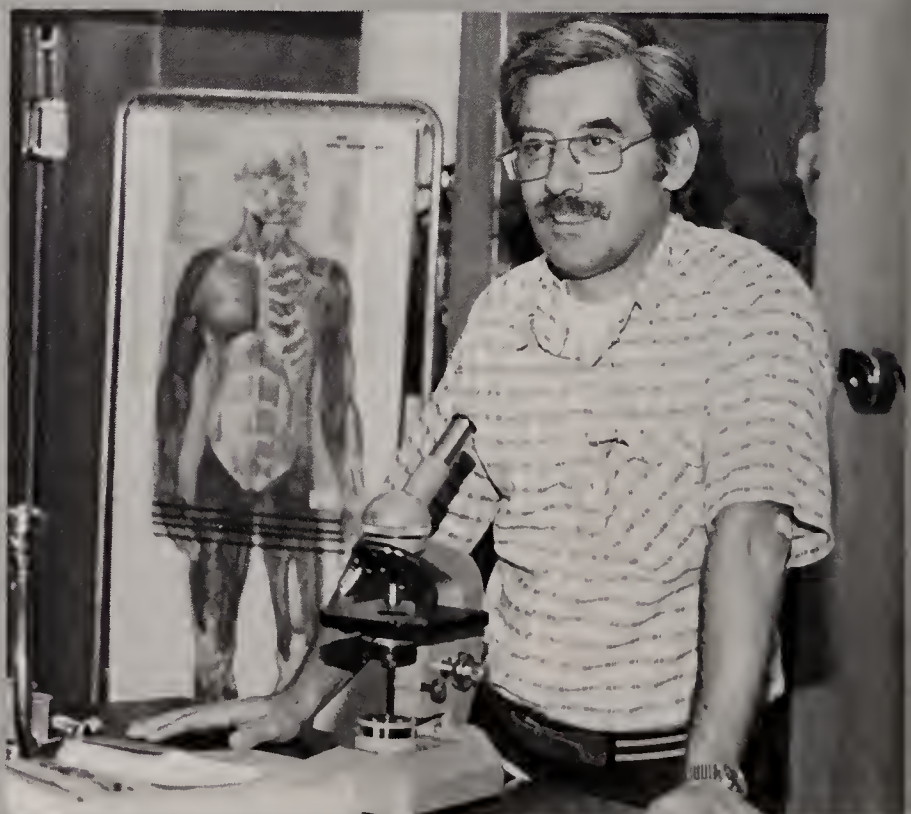

**Jeanne C. Cronin:** Biology

**Bruce Hall:** Chemistry, Introductory to Physical Science

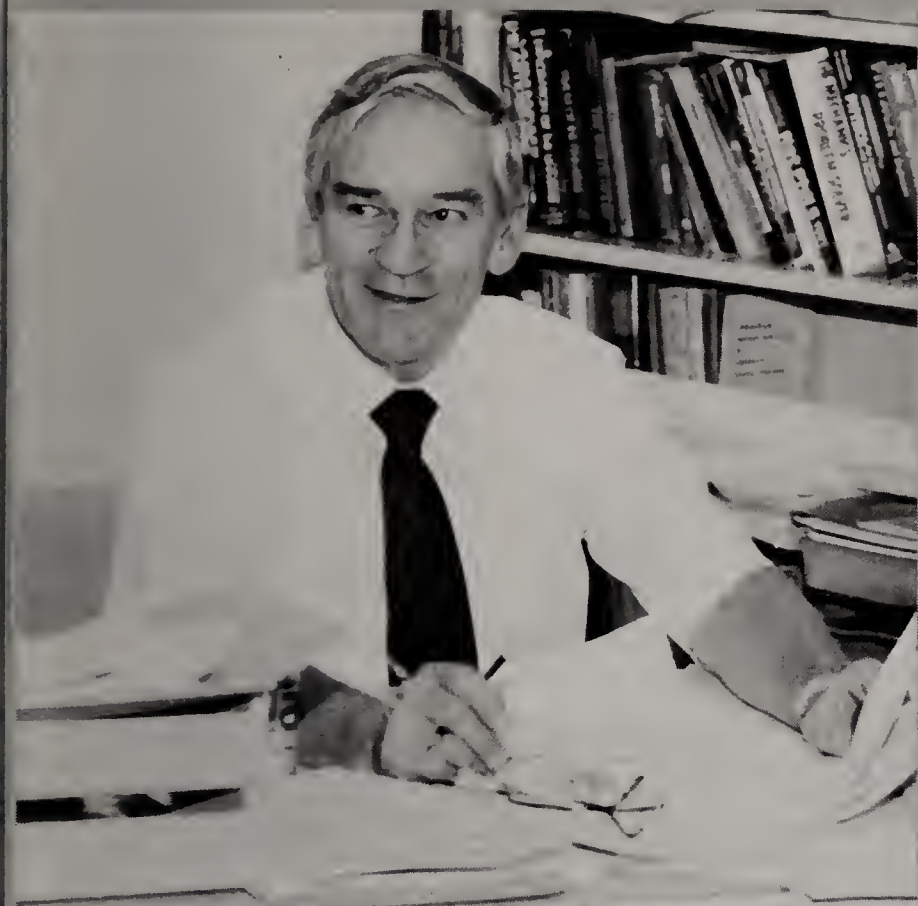

**Robert T. Boyd:** Introductory to Physical Science

**Jerome L. Burdulis:** Honors Biology, Adv. Placement Biology

**Francis Finnigan:** Physics, Department Head

**Katherine Paltsios:** Honors Biology

**William Chase:** Chemistry, Biology

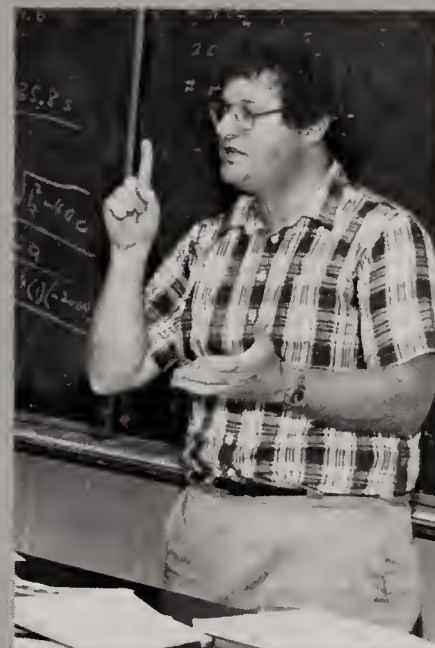

**Adele Grady:** Aide

**Nancy Mallio:** Aide

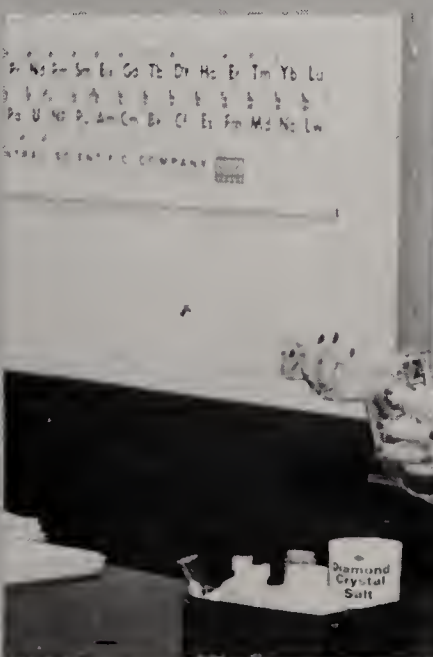

**Walter Soule:** Honors Physics, Physics

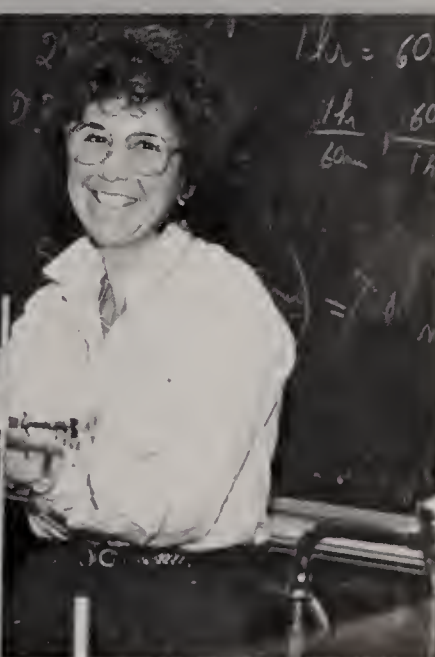

**Laurence Smith:** Honors Physics, Adv. Placement Physics

**William J.R. Marks:** Honors Chemistry, Adv. Placement Chemistry

**Susan Smith:** Chemistry

# Blinded by Science

Rage in the cage!!

"Hey, what d'ya get for # . . ."

. . . and this is what happens to overworked science teachers

. . . take us to your leader.

'Tis the season . . . for our "Chemist-tree"

Does anybody know how to work this thing?

Well will ya look at that!!

Capt. Haulk . . . He is just out of this world

Maybe he'll take the tests for us too!!

**The Science Club** consists of a mass of individuals who wish to continue their scientific studies during the after school hours. This mixture of ambitious students are: (top left), C. Katcoff, I. Flockhart, M. Coppi, J. Urano, N. Rossetos, B. Ahearn, (bottom left) M. Golden, C. Liu, R. Gaeta, W. Liu, M. Puchuli, . . . In Absentia: N. Horevitz, F. Khaghani, E. Lee, M. McKnight, B. Nowell, B. Pelin, D. Rutherford, J. Whitehead.

Time flies when your having fun in science!?!

I don't see anything. Do you see anything?

# MATH

As we proceed into the age of technology, mathematics is becoming more than the "Queen of the Sciences". It is now the "Cornerstone of Living". Without a firm foundation in math, there will be limited opportunities in selecting careers. At Winchester High School, there are math courses for all — from Basic Math through Advanced Placement Calculus.

We sponsor a Math Team which competes five times a year with teams from other schools in the Boston area. This operates out of the Math Club, and has been very successful this year. Through the Math Club we encourage students to participate in several statewide and nationwide contests held annually.

In keeping with our preparations for the technological age, we have expanded our Computer Science program and expect that it will continue to grow. There is a Computer Club for anyone who is interested. The students involved range from neophyte to "Advanced Computer-nik."

Congratulations to the Class of 1984!

## Earl Johnson

The Senior Class wishes to express their gratitude and appreciation to Earl Johnson. Thank you for all your years of service and dedication to the students of Winchester High.

Best Wishes on your retirement!!

**Richard A. Conway:** Geometry, Algebra 1A, Analytic Geom./Intro. Calc.

**John J. Joyce:** A.P. Calculus, Computer Science, Algebra 1

**John J. Waite, Jr.:** Department Head, Advanced Math

**George Oliviero:** Analytic Geom./Intro. Calc., Algebra 1A, Trig./Analytic Geom.

**Lois Ann Walsh:** Algebra 1, Advanced Analysis, Algebra 2/Trig.

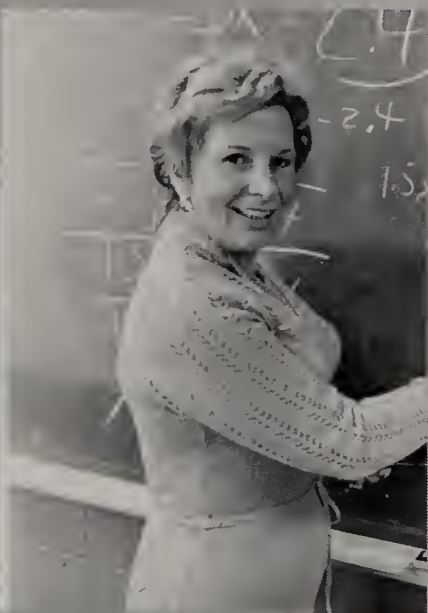

**Richard L. Thorne, Jr.:** Algebra 2, Adv. Algebra 2

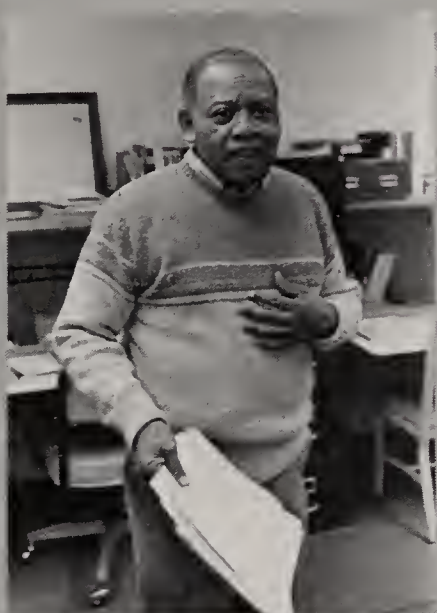

**James W. Smith:** Geometry, Computer Science, Trig./Analytic Geometry

**Arthur S. Harris:** Algebra 1B, Algebra 2/Trig., Algebra 2

**Mary Rose Mirka:** Adv. Geometry, Algebra 1, Adv. Algebra 2/Trig.

Trying our hand at Math!

## Math and Computer Science

For those students who have superior reasoning abilities and mathematical talents, the place to be this year was the Computer and/or Math Club. The Math Club was able to pull through yet another exciting and challenging season. As for the Computer Club, well we all know that the computers were constantly busy anyway!

**Math Club:** (left-right.) Jun Urano, Nick Rossettos, Wendy Liu, Ian Flockhart, Barbara Ahearn, Robert Southworth, Andreas Coppi, Peter Pezaris

**Barbara Norton:** Honors English 9 (not pictured)

**Theodore Benton:** British Literature

## English

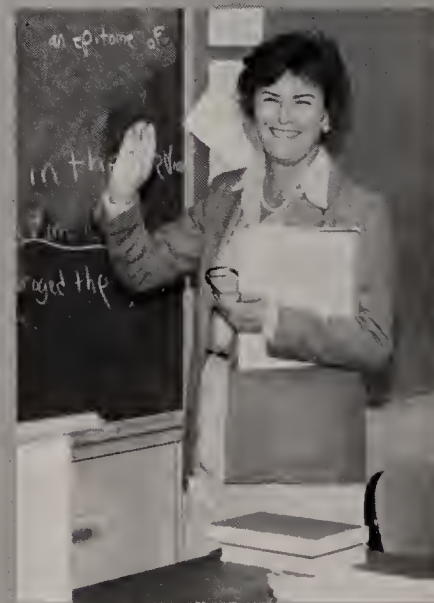

The goal of the English Department is to help each student develop his potential to communicate and think. Every instructional program in the English Department provides an opportunity for the students and the teacher to interact as they focus on such communication skills as reading, writing, listening, comparing, contrasting, inferring, generalizing, and predicting. Through a variety of approaches to learning, each student has an opportunity to deal with abstractions, develop and test ideas, and bring personal meaning into concrete experience.

**Margaret Mulkerin:** American Dream, Masterpieces, Humanities

## English Activities

Not just alot of talk! Jim McKnight, Matt Boland, Theresa Clements, Beth Nowell, David Burke

Smile! Lulu Kermond and Matthew Galvin

### Lip Service

The WHS Communications Club provided extra-curricular media activities to students interested in the Communications field. Under the guidance of Mrs. Marie Franklin, club members wrote the daily newscasts for WHSR-FM. They also produced public affairs talk shows and attended local seminars on the media.

### British Invasion

In October, WHS students hosted fifteen British exchange students. They spent a day touring Boston and seeing our historical places and shopping at Quincy Market. Another day was spent at Winchester High viewing American classes in action. The culmination of their stay was the Halloween party held by the WHS language clubs in their honor. The American host students would like to thank Mrs. MacDonald for her help and support.

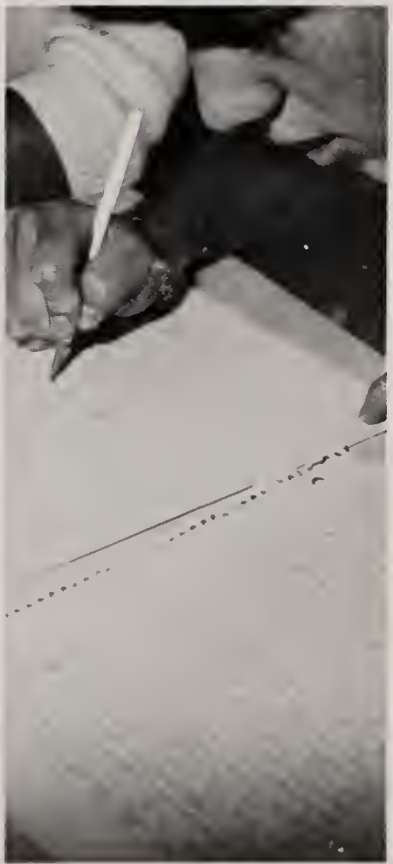

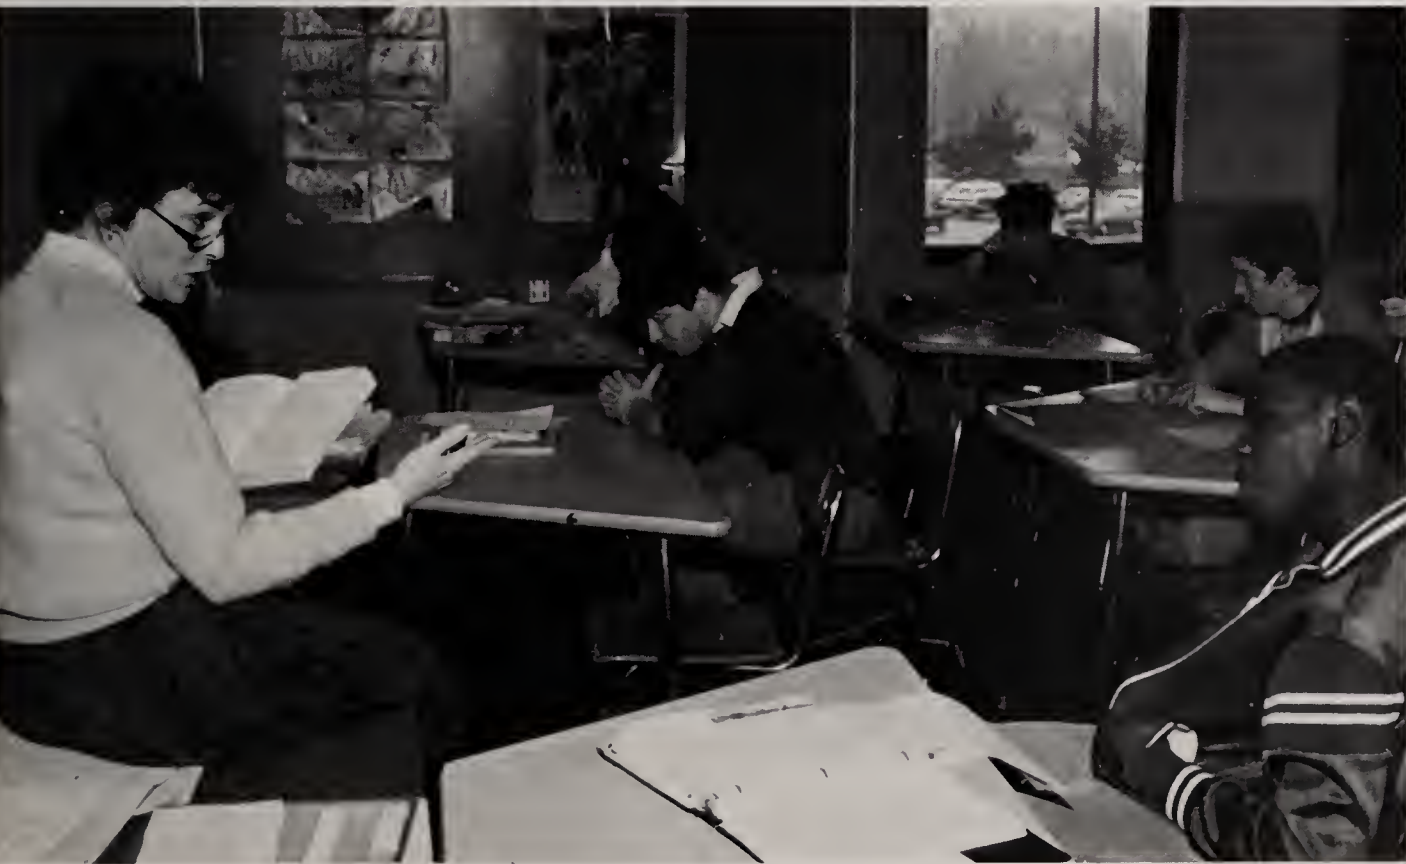

The better to see you with.  
Charles Cowen

Wild in the streets! Ms. Russell

Dr. Helen Vendler lectures to  
English teachers about poetry at  
a joint teachers meeting with  
Lexington.

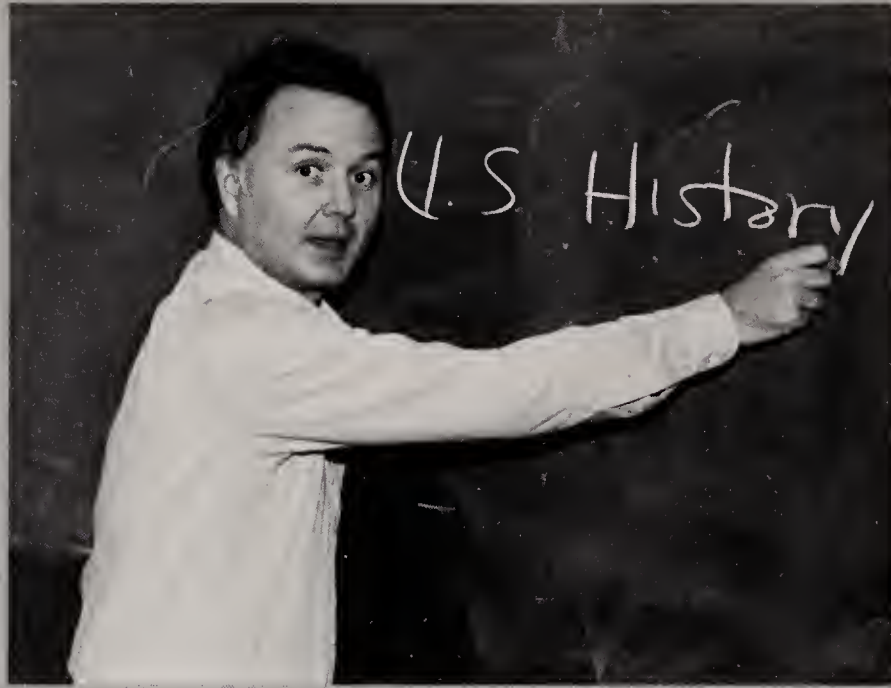

## SOCIAL STUDIES

Social studies: the department that lists history, geography, economics, psychology, political science, anthropology, and sociology among the disciplines that constitute its courses. This is the department that examines the present in light of the past and projects the future in light of the present. Our goal is to build an appreciation of human culture from the Pleistocene to the Classical, from the Medieval to the Twenty-First Century. In developing this appreciation, we are educating our students to be wise consumers, astute voters, and citizens knowledgeable about the country and the world.

During the year, the department has participated in a number of events including a sophomore Model Congress, the Drug and Alcohol Week and education programs and the Humanities field trip to New York City.

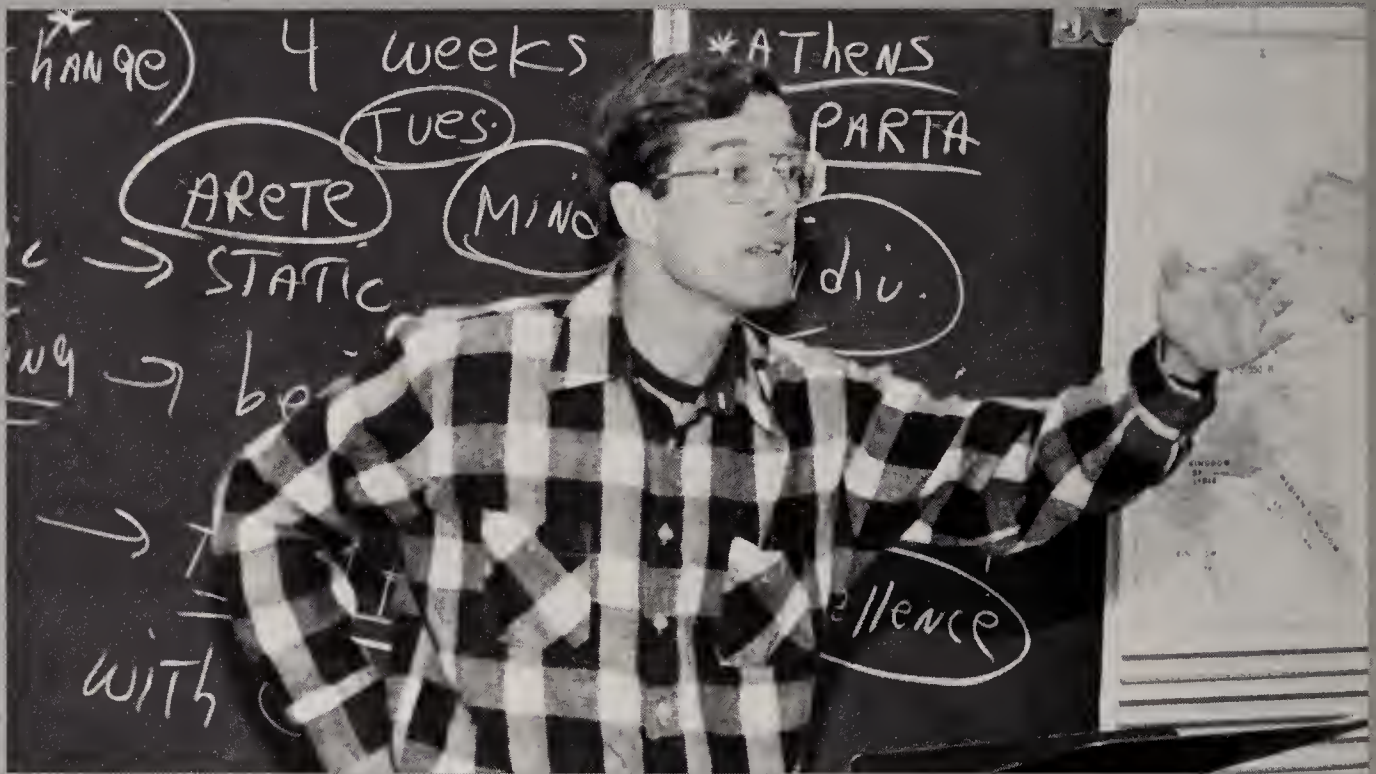

Best wishes to the Senior Class!

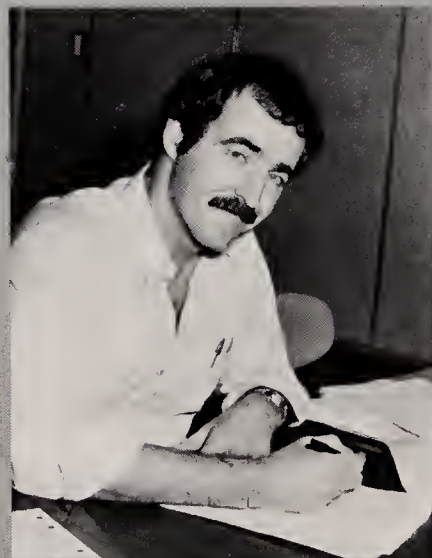

**Paul T. Mulloy:** American, European and Global History; Advanced Placement U.S. History

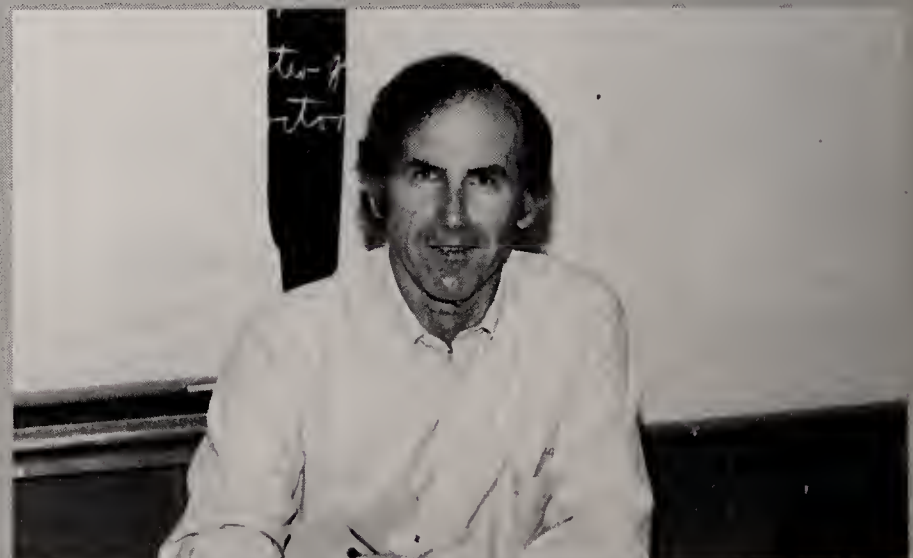

**Clarence Olson:** Ancient History, Consumer Economics

**Lorin Maloney:** American, European and Global History; Humanities

Classroom presentations keep the Freshmen smiling.

## Home Economics

We have a vital Home Economics program concerned with guiding all students to develop attitudes, appreciation, understanding, and abilities. The High School offers all elective semester courses in Foods and Nutrition, Clothing and Textiles, Human Development and Early Childhood with a child study lab.

The Foods and Nutrition courses provide opportu-

nities not only to learn about Diets but also food preparation. Clothing and Textiles provide each student with the opportunity to construct garments according to their own personal taste. Early Childhood courses acquaint the student with the development of young children.

Many interesting speakers come and share their knowledge and experiences with the class.

*Phyllis Daugherty*

## Industrial Arts

The Industrial Arts Department has something for everyone, be it a leisure time activity, (woodworking, metalworking), or a technical program in auto-mechanics, drafting, architectural drafting, electronics, computer technology, and robotics. Students are also assisted in making informed and meaningful occupational choices, and are prepared for entry into advanced industrial or technical education programs.

*Joseph Aversa*

*George G. Robertie*

**Harriet Nelson:** Department Head

**Ralph M. Dibona:** Department Head

**George C. Swallow**

## Art

The Art Department offers creative and structured experiences which meet both the varied skills and interests of the students. Advanced Art, the course most art students take after completing Art I, has to be different each year because of the number of students taking Art for three consecutive years. The members of the

Art Department faculty, are quite pleased with their students abilities and are impressed with the amount of students that continue with an art career. The art on the divider pages of this yearbook were produced by seniors at Winchester High School.

The art program is an award winning program.

**Thomas Tracy:** Department Head

## Music

Students involved in the Music Department learn what a discipline music really is. They learn that an ensemble, whether it be Band, Choir or Orchestra, can only be as good as its poorest performer. Every student must give 100% of their effort and talent to make an ensemble work, and sound the best that it possibly can.

The Orchestra and Choir spent most of the year rehearsing a wide variety of music that was presented at both the Winter and Spring Concerts. They also play and sing a great deal of music which is not performed in concert.

The band was busy all fall preparing for their ever popular half-time shows

for the football games. They also paraded in the Woburn Halloween parade as well as for the opening of the new Woburn's MacDonalds. One of the highlights of the year was playing for the reception of Winchester's own Astronaut, Captain Hauck.

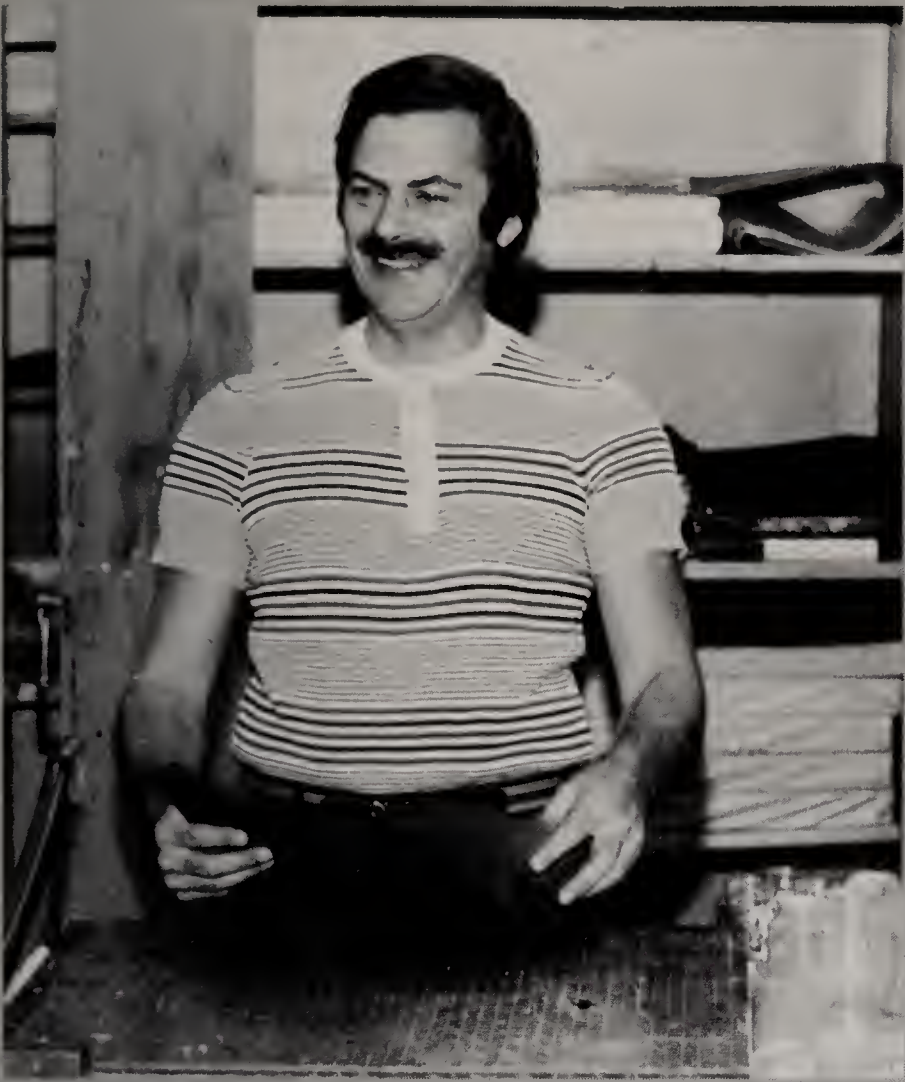

Students involved in the new A.B.C.s of Music course enjoyed composing their own music and having it performed by the members of their class. Working with the Apple Computer was a new experience for many members of the class.

All in all, the Music Department had a very successful year.

**Burton O. Cowgill:** Department Head

*John Walker*

*Janet Eldridge*

*Priscilla Miller*

*Mark Jacobs*

## Business

The Business Education Department is helping students keep up with the rapid pace of technology. Around the department you have probably noticed or worked on word processors, memory typewriters, and micro computers. Along with clerical skills, accounting, and business-related courses, many college-bound students have enhanced their skills by taking typewriting courses for personal and professional use.

*Dolores Cordeiro*

*Mary E. Nolan*

## C.L.I.P.

CLIP is an alternative program designed for students who are planning to enter the world of work following graduation. To help ease the transition from school to job, students attend classes in the mornings and are released early from school to pursue a job. Morning classes concentrate on such areas as career exploration, career aptitude testing, communication skills, health and safety, and consumer economics. Bankers, insurance agents, and placement counselors are scheduled as guest speakers. Field trips are planned to such industries as General Motors, Boston Edison, Logan Airport, and Parker Brothers.

*Margaret A. Sullivan*

**Helen M. Nagle:** Department Head

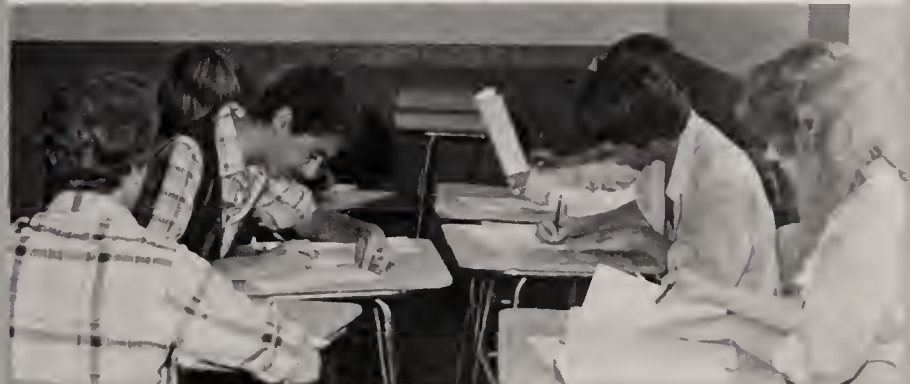

**Katherine Bateman**

**Donald P. Kozak**

**David A. Miller**

## Reference

The High School Library is full of activity, resources and students. If you need information, want to read a magazine, or catch up on school events posted on the bulletin board — the library is the place to go!

Our collection is extensive and well used by students and faculty. The library is open before and after school in addition to the regular school hours.

**Charlotte Fixler:** Library Aide

**Nancy Atkins:** Librarian

## Tennis Anyone?

For four years you have been running, stretching, hitting, leaping, falling, rebounding, dancing, aiming and laughing.

This energy expenditure has a purpose. Your physical education teachers have tried to let you develop skill in and knowledge about physical activities that you may use in your adult life in order to maintain a healthy, fit body. We hope you continue to respect exercise as a necessary ingredient in your lifestyle and are affected by the joy of being active. Good luck!

**Janice A. Dolin:** Department Head

**Thomas Kline**

# Yearbook

The yearbook is a historic album for Winchester High School. The students are involved in the complete development and production of this publication.

## Audio-Visual

The Audio-Visual Department does all the A-V work for the school system as well as some for the town. It rents films and has a Media Software Center which keeps inventory, checks all materials in and out and inspects, cleans and splices all of the movies shown in the schools.

**David Frary:** Radio, A-V

**Mary Collins:** A-V Secretary

**Carlyjane Dunn Watson:** Yearbook Adviser, Photography Club Adviser

**David Berman**

**Pamela Gail Canney**

**Joan A. Rosazza**

**Manny Marshall**

Look who ate his spinach, (A. Gordon is Popeyes pal.)

Goin' for the look of 84 . . . Sherry Limerick,

Look out Robinhood, here comes Andy Thompson!

## Language

At Winchester High School you can learn any of five languages: French, Spanish, German, Latin, or Italian. 73% of the students at Winchester High do take a language.

What's new is the Foreign Language Department this year? We have two new teachers; Mrs. Egan who taught previously at McCall Jr. High and who now teaches French and Spanish and Mrs. Lacey who is teaching Latin. There are also several new courses including A.P. Latin, and separate A.P. French and AP. Spanish classes.

The big event this year in the department will be hosting a group of French students and sending a group of Winchesterites off to enjoy life and culture. (It's a year of rest for the Spanish and German groups). The clubs are, of course, in full swing and will continue to be throughout the year. We look forward to a wonderful productive year ending in a grand celebration in June of 1984. Congratulations to the Class of 1984!

**Susan Austin:** German I, II, III, IV, Department Head

French Club

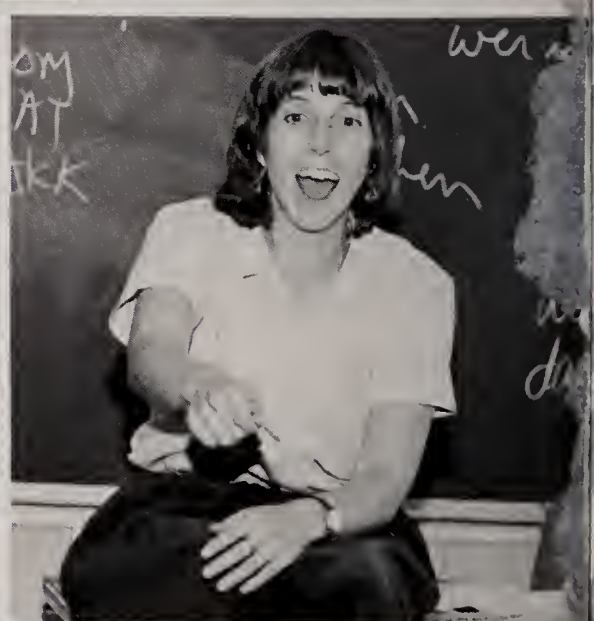

Latin Club

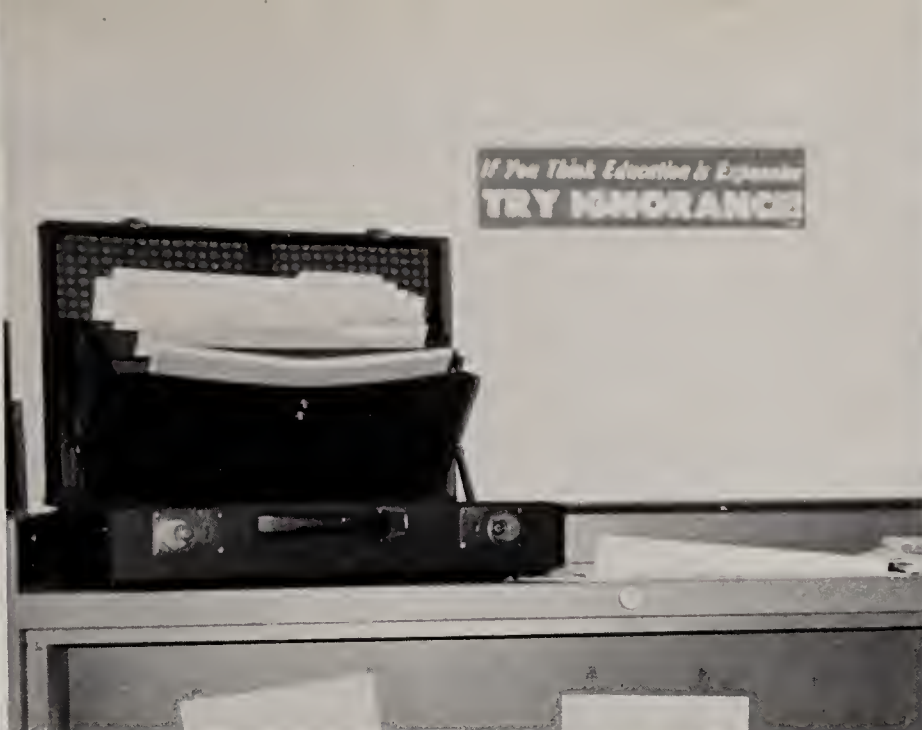

German Club

Winchester High School symbolizes numerous things, unique for each student who passes through its doors. These feelings change almost as much as the students themselves. We grow and mature into young adults, finding ourselves making decisions and gaining confidence to explore horizons never before thought possible. Newly found talents are cultivated and maximized through the hard work and determination which all Sachems give during their high school years. These experiences we have shared help us to become not only an indivisible whole, but strong individuals, as well, holding the knowledge to keep us moving right along into our limitless future.

Lori Jordan

STUDENTS

We, *the Class of 1984*, began our high school adventures as the first ninth grade class to enter WHS. During our four years here, we happily greeted the arrival of the Space Shuttle and the election of Pope John Paul II. We've experienced President Reagan's full term in office and the 1984 Olympics. Also, events such as the deaths of our marines in Lebanon and Grenada, and the loss of Korean Air Flight 007 have saddened us. We've had to think about our future in the nuclear age because of arms buildup, problems with nuclear power plants, and the movie, *The Day After*. On a personal level we have had to struggle with college applications and making decisions concerning our futures.

Our Senior Class remembers activities like the April Vacation Walkout and The Magazine Drive. In breaking up the daily replay of events, class members plan planned beach days, parties, and a Halloween dance. The proms, semi-formals, and Sadi-Hawkins dances brought romance and memories into our lives, and the weekly soccer, football, basketball, and softball games brought excitement. Also, we'll never forget the orange lockers and the green and blue walls that brighten up the high school! Larocco's yearly speeches were a thoughtful reminder to keep us on the road to success. Preppy, punk, and miniskirt trends all helped to make the students in the corridors look varied and unusual. All of these things have been part of our four years in high school and have helped to make them enjoyable years of learning, fun, and unforgettable memories!

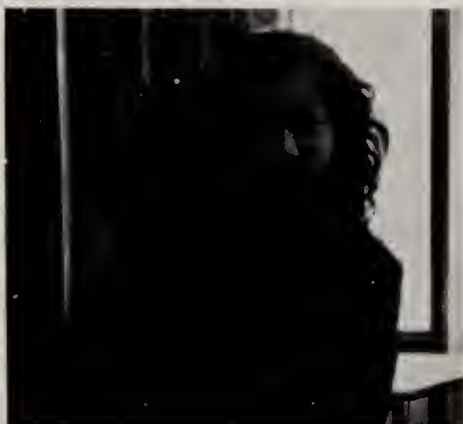

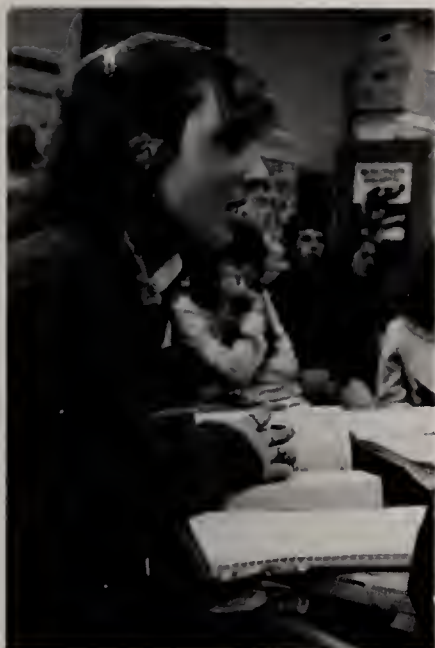

Learning to believe in ourselves has been the major focus of our lives during these years. Every experience we've had in making friends, dating, offices, clubs, classes, jobs, and in interactions with teachers, parents, siblings, administrators, and other people who have been important in our lives, has helped to make each one of us a unique individual. In joining individuals together to form a whole, the Class of 1984 became a special class, one that created a meaningful place for itself in the history of Winchester High School.

## Class of '85

The Class of '85 returned to school once again with a lot of spirit! Even though the Junior year is known to be difficult academically the class still had its share of good times.

The Junior year is full of excitement. Juniors have gotten or are about to get their driver's license. Each weekend more and more juniors cruise the streets of Winchester.

The Junior class was very involved in athletics at the high school. They made great contributions to many successful teams. They look forward to next year when they will lead their teams to victory.

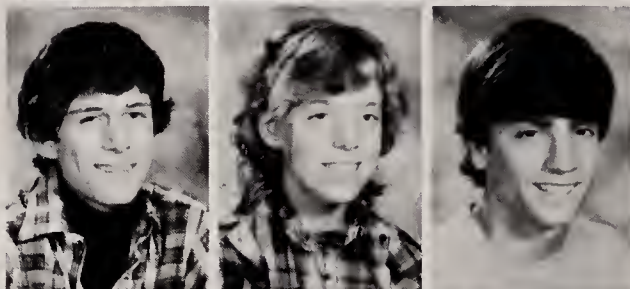

On January 28, the Class of '85 held their annual Semi-Formal at the Knights of Columbus Hall. It was a perfect time for the Junior Semi because it was the weekend after mid-year exams. It was a night filled with music, dancing and good times for all.

All the Juniors look forward to the Junior Prom in March, as well as a great senior year.

## Class of '86

Reunited as a class, the Sophomores returned to their studies once again. Familiar faces welcomed each other as the first day of school commenced.

First on the agenda, the class officers planned the annual Sophomore Christmas Semi-Formal on December 18. It was fun for all and succeeded in putting everyone in the Christmas spirit.

Our class had many enthusiastic athletes who participated in all sports. Sophomores also had an opportunity to take part in many of the club activities offered at the high school.

In January plans were launched for a class fundraiser — a giant raffle. Although Sophomores had many new academic challenges, they always kept their spirits high and they were always eager to support their class activities.

As the Class of '86 winds up the year they look forward to their Spring Semi-Formal and the class beach trip. The Sophomores have great expectations for two more successful and rewarding years at Winchester High.

The Freshman class of '87 entered school a day earlier than the other classes to get themselves used to their new school. They had an assembly and then seven ten minute classes. They quickly learned how to move about the school without getting too lost.

The next thing on the Freshman agenda was electing class officers and class representatives. After this was done the officers and class representatives were able to plan fundraisers and activities for the class. The freshman sold red and black sweat pants to raise money, which was extremely successful. Next the freshman planned a Sadie Hawkins Dance for January 13 at St. Eulalia's. That also was a success, a night filled with music and dancing.

The Freshman class was very involved in athletics at the high school. All the teams had good seasons. The freshman football team had an excellent record with only one loss. The boys and girls' soccer teams had super seasons also. These teams show promising things for the future and the Class of '87 will do a great job of carrying on the Sachem spirit.

The Class of '87 looks forward to a semi formal in the spring and even more to an exciting Sophomore year.

This year students expanded not only in their academic endeavors but also in their athletic accomplishments. With increased Sachem spirit and team pride WHS athletes produced a sports year like no other. By uniting their forces they reached both individual and team aspirations. From the first day of practice the athletes grew enabling them to become loyal team members and united team mates. This growth included both individual and team accomplishments spanning from All-Scholastic recognition to league and state titles. In the end, it was that Sachem spirit and dedication which led our athletes to new heights in sportsmanship and athletic ability; moving us right along as champions in our fields.

Final Record 5-4-1

Winchester	48-16	Somerville
Winchester	29-23	Lexington
Winchester	0-6	Belmont
Winchester	20-16	Wakefield
Winchester	14-14	Melrose
Winchester	0-22	Watertown
Winchester	7-12	Burlington
Winchester	15-14	Reading
Winchester	8-20	Stoneham
Winchester	35-6	Woburn

## Sachem Surprise

At the beginning of the season, there were many doubts concerning this year's football team. Only two players, co-captains Kevin Shattuck and Pat Murray, had any varsity experience and the team was picked by the papers to finish at the bottom of the Middlesex League. By the end of the season, however, this under-sized group of athletes proved that they were equal to or better than any team in the League. They finished the season on a high note with a devastating 35-6

victory over archrival Woburn.

Although the Sachems started a majority of underclassmen, this year's seniors contributed greatly to the success of the team. Those who started were among the best on the team and the others were always ready to play if called upon.

Overall, the season can be thought of as a great success as the Sachems surprised many people. With many key players returning next year, the Sachems have great expectations.

# 1983 STATE CHAMPS

It's nicer twice! The 1983 Sachemettes Girls Soccer team can certainly attest to that. This year the girls regained their E-Mass title and went on to become the 1983 State Champions. The road to the finals was not an easy one as the Sachemettes faced Concord-Carlisle in the first round and played over 105 minutes of soccer before winning 2-1. Their next opponent was Waltham and the girls handled them nicely 1-0. Next

in the finals the Sachemettes were challenged by a tough Wellesley team but proved their rating of number one to be correct by beating Wellesley 3-0. Then the Sachemettes had the opportunity to achieve something that had never before been done in WHS Girls Soccer history and they did. They traveled to Northampton, MA and defeated West Springfield 5-3 for the State Championship. MEMORIES INCLUDE:

# A Near Miss

This year the boy's soccer team had a very exciting and successful season. They came one point from being in the tournament with a final record of 11-4-3. Led by tri-captains Eric McLaughlin, Peter Olivier and Mark Herlihy, the

boys began the season with a bang, defeating their rival, Lexington, who had never been beaten before. The team continued to work and towards the second half of the season really began to put things together.

The main nucleus of the 1983 squad was made up of seniors with many outstanding juniors who will return next year. Although it was somewhat disappointing to miss the tourney by one point, it was not such a bad way

for the seniors to finish off a high school career and the future looks bright for next year's team. Much credit should be given to Coach Bouley for all his hard work and time put in for the team. Good luck next year!

Captains Eric McLaughlin, Peter Olivier, Mark Herlihy and Coach Bouley

## Boys Varsity Final Record: 11-4-3

way! -

No Pain, No Gain!

Runners take your marks!

# THE PACEMAKERS

This year, the boy's and girl's cross country teams both finished quite successfully and proved one of the strongest teams in the League. Although there was some question as to how well the teams would do this season, a strong pack of underclassmen, including many outstanding freshmen, came through, supplying the depth needed to bring in the victories.

Stand out seniors, Bill Derry and Barry Sirchis, led the way as the boys captured the 1983 League title with a perfect 9-0 record. The girls followed close behind, led by Laurie Glynn, finishing with a 6-2 record, losing only to Wakefield and Woburn.

Much credit goes to the coaches, Mr. Cantillon and Mr. Maloney, for their immeasurable amount of time and effort they gave in preparing the runners for each and every meet. If it hadn't been for such dedicated coaches and determined runners, the season would not have been as successful as it was.

Winchester	31	24	Wakefield
Winchester	21	40	Watertown
Winchester	31	25	Woburn

## Field Hockey

Although the season was not at its best, the field hockey team overall had an enjoyable season. The new coaches, Julie Parker and Laura Ball were experienced college field hockey players and brought the team an abundance of excitement and enthusiasm. Julie and Laura often sprinted with the team, aside from adding variety and originality to the practices.

The 1983 season was a period of rebuilding. Only five seniors returned to the team, but many freshmen and sophomores joined to bring the team some

depth. Co-captains Julie Gibbons and Karen Brown united the team and kept the team's spirits up. Although the team did not have an outstanding record, it does not reflect the team's overall improvement and performance.

The team will always remember the enthusiasm shared during double sessions, the "J.V. Cheering Squad", music during warm-ups, and the coaches' Halloween costumes. Best of luck to Coaches Julie and Laura in future seasons and to the 1984 team!

## A YEAR OF HIGH SCORES!

This year, the 1983-84 gymnastics team finished second in the league. During the course of the season, Pam Getson broke the school record in the floor exercises, the balance beam, and vaulting. Many gymnasts achieved their personal bests to make the season a success all around. Aside from working well as a team with regards to their gymnastics skill, they also bonded together to form a close group of friends.

In the beginning of the season, there were many new faces on

the team. The old and the new members were unfamiliar with each other. But as the practices went on, the team grew closer and closer. This helped each gymnast's confidence and ability to reach its potential. As time went on, the pieces began to fall in place and the routines kept improving.

They will always remember: Food breaks ... Skor Bars ... grapefruits ... Carla's sleepover ... Sue, still? in the morning? ... Paul and Robyn (and everyone else) ... Thriller ... cheering on

the beam ... team floor routines ... Sue, did you forget something this morning? ... wrestling attacks ... Girl fights: Scratch, Choke, Cry! ... You can do it, if you put your mind to it! ... Carwash ... and those strenuous practices! They started out as sixteen individuals and ended up as one — made up of Coach Scuzz, Co-Captains Skippy and Dudley, Jellybean, Goobie, Sue — who (open moth), KatieLou, Eureka, Wanda, Kinka, Peanuts, PotatoChip, Mary-Ann, Coach Maura, Beth, and Daffy.

**Above:** Is that Nadia? No, it's Pam Getson.

### Girl's Gymnastic Final Record:

Winchester	96.85-91.5	Melrose
Winchester	97.5-101.55	Burlington
Winchester	95.4-103.6	Beverly

**Above:** High sticking, that's a two minute penalty. D. Kakridas

## No Puts No Glory!

This year's Varsity Golf team's season was one filled with strong performances by the team as a whole. Special mention should be made of Tom Outwater, David Bonner, John Colantino, and John Donnellan. Besides being the number one golfer John also doubled as the team's captain.

The team's record does not accurately indicate the success of this team's team had. They tied Burlington, the Middlesex League Champions and they lost two very tough matches by a single point. Despite the fact that this year's team was young and inexperienced, it acquired the

best record of any golf team in recent years. They feel that on any giving day their record could have easily been 6-4. The team would like to thank Mr. Aversa for all his time, effort, and support and they would like to wish next year's team the best of luck.

**Above:** R. Murphy, Coach Aversa, and Captain J. Donnellon.

## Swimmer's Strive

Despite a mid-season practice change from early A.M.'s at the Voke to late P.M.'s at the Y.M.C.A., the Winchester Sachemettes pulled through once again. They came out on the top end of the Middlesex League. Their record was an uphill battle. Once the swimmers got started, things began to roll. They were victorious at their last few meets and able to qualify swimmers for the League meet and State championships. The team will be losing a lot of seniors this year but we wish them luck and ask that they remember "buns".

### Final Record 5-7

# Boys' Swimming/Diving What A Team!

## ***Sachem Swimming***

The Sachem Boys' Swim Team was an amazing group this past season. They were undefeated and League Champs for a second year in a row. Their strength lied in multiple ex-

perienced and powerful athletes along with an abundance of strong back up swimmers. They were unstoppable!

## ***Sachem Diving***

The Sachem Varsity Div-

ing Squad consisted of two extremely talented divers. They are Guy Pallino and Matt Galvin. They were able to take first and second at almost every meet. They were a powerful asset to their team.

Take it away Matt!

Jimmy Blasi goes for the win!

## Dedication Takes Wrestlers to the Top

In the words of Coach Larry Tremblay — "Hard work and mental preparation are the keys to being a successful wrestler. These kids really work for it." The 1983-84 wrestling team had a lot of returning wrestlers who provided the experience that the Sachems needed and they are: Seniors — Captain Jim Vancini, heavyweight: Chris Farrar, 121; Juniors — Glen Richmond, 107; Jay Rice, 128; Joe Lawrence, 128; Charlie Cowen, 134; Rob Anderson, 140; Tony Fortunate, 147; Dom Divincenzo, 157. Underclassmen who also wrestled varsity are: Sophomores — Alex Puchullo, 114; Andy Lowenstein, 100; Tom Pigott, 187. The team was rated number one through-

out the season by the Daily Times and Chronicle and the Boston Globe and the Sachems did not fail to live up to the high expectations people had for them. The team matured a great deal since last year and since wrestling is a technique sport, one year greatly improves the caliber of the performances. The future looks promising as only three seniors are leaving. Wrestling has become among the sports at W.H.S., one of the best. The team would like to thank all of the dedicated fans and parents who attended the matches and they would also like to thank Coach Tremblay and Coach Neill for their dedication and time.

# Boys Varsity Basketball

In 1983, the Winchester High basketball team went to the state tournament and finished with a 15-7 record. Six seniors having graduated from the team, the Sachems of 1983-84 were a very young and inexperienced group. There were two seniors, five juniors, and six sophomores on the varsity. With such a young

team, mistakes are going to be made and the Sachems tried to learn from these mistakes. The main objective in the beginning of the season was to steadily improve. With every game, the Sachems gained experience.

Most of the players on the team were fairly equal in talent and everyone

contributed to the team. Although there was great competition between individual players, the team remained close. The Sachems were led by senior Bill Thomas and Captain Brian "Mulvs" Mulvaney. The juniors were Alan Adler, Dave Koffman, Tim Conley, Jake Lewin, and Paul Sughrue. The soph-

omores, who were 17-2 in their freshman year, were Dennis Clarke, David DellaGrotte, Peter Mulvaney, Mike White, and Tim Budrewicz.

The Sachems are looking forward to a great season next year as almost the entire team is returning.

# Girls Varsity Basketball

With only four returning varsity players on the 1983-84 girls basketball team, it looked like this was going to be a rebuilding year but the Sachemettes managed to hold their own in the annually strong Middlesex League. The Sachemettes were led by senior captain Kristen McNamara who was the center and senior forward

Patty Taylor. A main strength of the Sachemettes this year was their quickness and defensive ability, alot of which was provided by junior guards Ellen Clavin, Barbara Delaney, and Mich Powers. Coming up from junior varsity this year were junior forwards Paula Russo, Cathy Flately, and Theresa Ducharme. All of these

girls played extremely well in their first year of varsity play. With only two seniors graduating, the future looks bright as there were two sophmores, Ellen Donahue and Julie Guarnotta and freshman Maureen Dokas who added depth to the team. After some disappointing losses in the first half of the season, the Sachemettes showed

growth and poise and gained their revenge. The dedication and support of the third year coach Joe DiSarcina benefitted the girls a great deal as they played hard every game and never lost their Sachem Spirit. Seniors Kristen McNamara and Patty Taylor wish next year's team the best of luck and want them to go for it!

Captain Kristen McNamara

Here, you can have it! — K. Serieka and M. Nolan

# A Record

"A near miss" would be an accurate phrase to describe this year's girls track team. With the combination of many talented underclassmen and a core of veteran seniors, the girls ended up just a few points out of first place. The season was a memorable one, and proved very exciting

due to many close meets. However, the hard work and time that everyone put in at practice paid off as the girls usually pulled out ahead in the end. Special mention should be made of the team's nucleus — the seniors who provided leadership and experience in the variety of

events in which they participated: Co-Captains Laura Weylman and Jill Matrundola, Jacqui Burke, Lisa Galante, Laurie Glynn, Leslie Paskerian, and Karen Serieka. Many thanks must also be given to Coach Joe Cantillon for all of his dedication and effort. This season was a

special one, and will be remembered for the many memories such as: "You guys — it had better not come down to the re-lays!!," Lisa Galante's famous "win" in the mile, 8a.m. meets — I feel sick, Girls just wanna have fun, and when the Sachems go marching in.....

## Girls Final Record:

Missing: Laurie Glynn

# Setting Season

This year's boys' winter track was one of setting records. This success was the result of mostly hard-work. Practices started with twenty minutes of stretching everyday and often included the dreaded speed workouts. They frequently ran five miles around Symmes' corner and back to the hospital-

(something that is unimaginable to most of us). The boys track team defied gravity by running up the streets that run perpendicular to Highland Ave. These kids know what it is to be exhausted, to get up for an 8:45 meet on Sautr-day morning, and to run in freezing cold. Two major, personal achievements

were accomplished this past season. Kevin Driscoll set a new school high jump record at 6'4" and Barry Sirchis was successful in lowering the league's 2 mile record. The team also attended many relays and non-league meets including: the B.U. Relays, the State Coaches' Meet, the All League Meet, and the

States at Harvard, as their motto goes: the only good thing about winter track, is the dogs— it is frozen. Memories include: Alright on line, The Bucket, Those Reading kids, the ugly green oval, the lously air, and down to the relays.

Captains Mark Herlihy and Bill Derry

## Boys Final Record:

Winchester	54-31	Burlington
Winchester	36-50	Reading
Winchester	37-49	Lexington
Winchester	49-36	Wakefield
Winchester	56-30	Belmont
Winchester	48-38	Melrose
Winchester	65-20	Watertown
Winchester	45-41	Woburn

Boys Team: First row (l-r), M. Keats, J. Hennely, M. Cahill, J. Galluzzo, C. Brett, J. Calareso, K. Racek, D. Richardson, G. Dorsam, D. Rutherford, R. Driscoll, M. McKnight, D. Selvitelli. Second row, (l-r), N. McKenzie, N. Keyevian, J. Vanga, D. Manganaro, J. Grey, J. Koplow, K. Leary, R. Feldman, J. Rodgers, M. Rodriquez, B. Pothier, L. Sampson, S. Wadman, T. Wood, J. Calaro, J. Whitehead, T. Riley, D. Lewis. Third row (l-r), W. Aldrich, G. Veitch, S. Purdy, B. Derry, M. Alcione, G. Halpin, B. Sirchis, D. McCall, K. Driscoll, M. Herlihy, B. Perry, E. Brickley, R. Chabot, T. Haaland, J. Boone, J. Gosselin, M. Bokil. Missing: E. Svahn, P. Murray, N. Bokil, and G. Ducharme.

The business community of Winchester has played a significant role in all of our lives. As we have grown older many of these establishments have become our employers. Through them, we have acquired new responsibilities. Our experiences and interactions with business community have helped us all to reach new heights. We would like to thank the businesses of Winchester and all of our patrons for their guidance and support in our attempt to keep ourselves moving right along.

# ABERJONA — The 1984 Team

This year's Aberjona has changed in both concept and design. Returning to a smaller size book, the staff employed five new section identifications. The Staff became a complete publishing team, planning, designing and producing a major publication. Twenty four pages were added, and this provided space for new features including a senior directory and a photo index.

The personality of the staff was a major factor in creating and developing the Aberjona, each section contributing to the whole. Working in small groups, the section editors continually developed new ideas to give fresh and original looks to their pages. Layouts became unique and each section strived to achieve individuality. The new designs and layouts in the students' and academic sections added dimension to the book and to the people it focused on. The teachers, for example, were represented as teachers, advisers, coaches and 'people' outside the school.

The student life and competition sections brought the vitality to the pages of the Aberjona that these activities brought to our lives. And, the Commercial/Business staff topped all prior records in ad, book and patron sales. It has been a tremendous year. We will always remember climbing out of the pica gutter, the food, the proper croppers, the food, German Chocolate Cake, the pizza parties, Terry's birthday, falling into the pica gutter, more food, the deadlines, all those afternoons after school, our year, our book — The Aberjona!

The entire staff would like to thank John Pirani and the administration for finding our new location on the 2nd floor of the library and the custodial staff for their constant help. Also, the student staff would like to thank and congratulate our new adviser for the excellent job she did coming in as a rookie. Thank you!

We hope you enjoy the ABERJONA and that it holds many special memories for you!
